

Bicycle tour to climb challenge B.I.G. destinations in Czech Republic, some in Poland and on the way home one in Austria

The tour can be made shorter in order to leave 1-2 destinations in Poland and one in Austria.
5 day tour by car ~ 2000 km about 65 000 Ft petrol cost. The motor way toll will be paid by myself.
I can take one or two tour mates with me, so the petrol cost can be divided by 2 or 3.
